Souper Bowl of Caring

We had an overwhelming response to our SOUPer Bowl Food Drive this year, receiving a total of 7,112 individual food items and \$2,495.12 in monetary donations!!

That is a total touchdown for the Calvin Center Food Pantry and those individuals and families who depend on us to supplement their food budget. Your support allows us to continue issuing 450 – 500 food orders each month, or 1,824 food orders so far this year!

InterServ under Construction

Construction has officially started on the new facility across the street from the existing building.

Lawhon Construction was awarded the construction bid just prior to the Ground Breaking Ceremony on March 23rd. We look forward to completion about this time next year. InterServ is extremely grateful to our supporters and donors who helped make this dream come to fruition. Please stay connected and watch the progress over the next several months.

If we have no peace, it is because we have forgotten that we belong to each other.

Youth Program gets social worker

The Youth Program has received a grant that will enable us to hire a part time social worker at the Wesley Center Youth Program.

This program has experienced several changes over the past few years as our community has transitioned and needs have transformed. We are in the process of researching evidence based program options and basic skills curriculum to utilize in the program, hoping to improve the lives and success of our participants and community. This position will start fresh in the Fall. Our hopes are to further expand our mission and values.
